Driver registration form

All drivers attending BPCC races are required to have an official BFPCR Racing Licence number.

Licence numbers are valid for the entire season and must be entered on team sheets at each race. Any driver without a licence at a race will be required to purchase a new one. Whilst we can handle occasional, one-off registrations on race day in this event, we offer no guarantee that licence numbers will be issued and scrutineering done before the start of racing.

The cost for this is **£1.00** per driver for all drivers for all classes.

If you have any as-yet unlicenced drivers who are expecting to race at any BFPCR event this season, please include their details here. Please write clearly!

Please make cheques payable to "BFPCR". If necessary, use additional copies of this page.

All details given here are kept confidential and will not be passed to any other body.
