£30 Full £20 One Off as discussed at the AGM

I can collate Shrewsbury entries as majority should be online anyway and I'll coordinate with Bob

Shop is not my priority until New Year weekend 9th/10th. A few days won't matter but I'll look at putting a holding front page up with DR asap.

Need to hear from Mark to check whether the numbers add up but I’d be happy to go with £15 in the hope a team does one race and then gets hooked…

Morning

So do we set the fed fee for one off to £15 (half of annual) or £20 to encourage multi race entry

If Chris isn’t admin for the race who is please (need name and address for the form)

Sunday, March 20th
Shrewsbury Sprints (3 * 2 hour)
Organiser – Admin Chris Featherstone – On the day Robert Robinson
Controller team – Robert Robinson and Phil Owens

As to licences – if i can automate off website in next few days (before Jes's 11th jan deadline) i'll include it in the forms, else we'll go with name & d.o.b only. In either case there won't be any fee

Dear Alan
Hi, I hope you had a good Christmas.
The meeting was a little confused at that time with the discussion.
However, I confirm my understanding:

Increase in annual membership to £30.
No increase in individual race membership fees.
No increase in race fees from last year.

Mark may have a view.
Happy New Year.
Regards.

Happy New Year to you and yours…
Maybe up to 20 entries go with the short circuit and more than that go with the long one?
I thought we agreed to scrap licences (we definitely need to unless somebody

wants to volunteer to issue them as Gareth won't be doing it this year).

From the minutes:

(ii) BFPCR Membership Fees for 2016
The Meeting approved an annual membership fee of £30 for the ensuing year. The basis for the increase was to ensure that current policy of the fees covering at least the insurance cost each year was met.
It was also AGREED that license fees shall cease, they will continue to be registered either via the Web Site or if not possible via the team sheets.

I honestly can't remember what was decided for fed fees for a one-off race… Is there anything in your notes Robert?

All the best
Alan

Gents

Wishing you a belated Merry Christmas and a Happy New year

Before i go further with the race entry forms, i need to clarify a few points that weren't clear (or even in) the minutes

BFPCR Fee £30 full or £20 per race or is it £30 full or £15 per race

Race entry as per minutes unchanged from last year but buy 4 get 1 free ie car 4 & 8 are free

No driver licences this year just using name, dob, gender or do we want to try and auto register and generate a licence number

Can someone confirm the details fro Shrewsbury, ie times, address and are we using circuit 1 or 2

Please read teh attached entry form and proof read it
