Solihull "Ted Rogers" 3-2-1 Competitor Info 24th July 2016 V3

Dear team manager,

Thank you for your entry to the Solihull Sprint pedal car race, round 4 of the 2016 British Pedal Car Championship, on Sunday 24th July 2016.

The entry list is attached. Please check through to make sure your team is correctly represented and contact me at solihull@pedalcarracing.info if not.

Notes for Competitors

General Rules and Regulations
Car specifications and race regulations etc. can all be found at www.pedalcarracing.info.

The Circuit
The circuit has various possibilities so the correct track for each race will be clearly marked with small cones. Please do not move any of the cones about.

Parking and entry
Please park in either of the public car parks (as shown on the map later in the document). The free car park is closer to the track but will obviously be more popular so there may be less space. The pay and display car park is across the road and I believe costs £1.50 for the day. Please be aware that the general public will also be using these car parks. Do not park in the Tudor Grange Leisure Centre car park….it will be a long walk.

Vehicle Access to the track Vehicle
Vehicle access to the track will strictly be from 8am to 9.30am. After that everything will have to be carried to the track. **Please do not turn up at 9.29am and expect to be allowed to empty your equipment.** No vehicles can be left on the track.
All motor vehicles on the circuit are restricted to walking pace and must proceed with Hazard lights flashing

Lap Counting and Marshalling
Lap counting will be set up in a Gazebo by the Start/finish line on the track. We will be asking for volunteers from teams to spend a short amount of time either monitoring the lap counting or marshalling.

Food and Water
No food or water is available on site, please bring your own.

Scrutineering
Junior teams are required to send a responsible adult to scrutineering with the car, not just one of the young drivers.

Race Control
The race controller will be either myself or Phil. If there are problems or queries please see them as a first port of call.

Weather
For those not used to pedal car racing, it is worth pointing out that, in the event of rain, fog, thunder etc the race carries on pretty much regardless.
Please make sure yourselves and your respective teams have appropriate clothing and shelter!

Pit Area
The pits are un-allocated so pick a spot that suits on the day. The pit area will be grass so feel free to bring tents/gazebo's. Please see diagram below. Please pit behind the lamppost "line" to allow cars to be parked on the grass off the pit lane.

Pit Lane
The pit lane will be marked by cones or tape. Usual pit lane rules apply, please do not cut across the cones/tape to enter/exit pit but proceed at walking pace to end.

Alcohol
The rules very clearly make the venue a totally alcohol free zone.

Toilets
No toilets on the track, please use toilets at the Tudor Grange Leisure Centre which is a short walk away.

First Aid

First aid will be provided by Race control & Falcon Notnray. If there are any incidents, please call the first aiders immediately rather than trying to treat the injured person yourself.

Race Program

08:00	Venue Opens
09:00	Scrutineering starts
09:30	All vehicles leave circuit
09:45	Circuit Practice starts (once successfully scrutineered)
10:15	Practice closed, driver briefing
10:25	Form grid
10:30 to 13:30	Race 1 (3 hours) anticlockwise
13:45 to 15:45	Race 2 (2 hours) clockwise
16:00 to 17:00	Race 3 (1 hour) anticlockwise
17:30	Presentations
18:00	All teams off site

The full circuit will be used for all races with the direction changed in race 2.

The grid for the first race will be in championship order. For the second and subsequent races, the grid will be formed from the finishing order of the preceding race. Any driver wishing to start from the back of the grid, rather than in their rightful position is free to elect to do so for any race start. Please make this decision known to the race controller when the grid is being formed.

Any additional late entries not listed above will start at the back of the grid.

The three races are totalled up on a points league basis to gain an overall BPCC result. In each class:

In race 1: 1st = 4 points, 2nd = 8 points, 3rd = 12 points etc
In race 2: 1st = 3 points, 2nd = 6 points, 3rd = 9 points etc
In race 3: 1st = 2 points, 2nd = 4 points, 3rd = 6 points etc

(Obviously the team with the lowest points wins.)

In the event of a tie: the team who beat the other tying team the most times takes the place.

BPCC points are awarded for the overall result and not the individual races.

Entry List as of 21st July 2016

PC1:

#1	Wing Racers	
#2	Apollo Racing	
#3	Apollo Racing	
#16	Royce	(PCF PC0)

Circuit for Race 1 & 3

Circuit for Race 2

How to get there

The track is at Tudor Grange Park on Monkspath Hall Road, Solihull. The second picture shows the car parks. For those using Sat Nav: the best postcode to use is the one for the new housing estate called Tudor Coppice which is point A on the first picture, which is **B91 3DE.** You should then be able to find the car parks and track from there, using the maps below.
